

Match the Sayings from the Sermon on the Mount

Judge not

By their fruits

Love your neighbour

Blessed are the pure in heart

Give us this day

A city set on a hill

Sufficient to the day

Do unto others as you would

Where your treasure is

our daily bread.

for they shall see God.

is the evil thereof.

there will your heart be also.

that you be not judged.

have them do unto you.

you shall know them.

as yourself.

cannot be hid.
